

**AFFIDAVIT**

I, Christopher S. Collie, Task Force Officer (TFO) with the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), being duly sworn, state the following is true and correct to the best of my knowledge and belief:

1. I am a Task Force Officer with the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) and have served in that capacity since February 2012. I have been employed by the Buchanan County Sheriff's Office (BCSO) since September 1997. During my time at the BCSO I served as an Investigator with the Buchanan County Drug Strike Force from 1997 until 2005. From 2005 until 2016, I was assigned as a Detective Sergeant and Lieutenant in Investigations and the Career Criminal Unit. I am currently employed with the BCSO as a Captain assigned to the Drug Strike Force/Career Criminal Unit. I have been involved in hundreds of investigations related to the manufacturing, distribution and use of illegal drugs. Based upon my investigation, along with information provided to me by agents and task force officers with Drug Enforcement Administration (DEA) and officers with the St. Joseph, Missouri Police Department, I believe the following to be true and correct.

2. This is an Affidavit in support of a Complaint and Arrest Warrant for **Bryan R. Harshman**, Date of Birth (DOB): 01/04 1980, for violation of Title 18, United States Code, Section 922(g)(1) being a Felon In Possession of a Firearm.

3. At approximately 5:30 a.m., on Wednesday, September 11, 2019, surveillance units observed a subject believed to be **Bryan R. It was unknown at the time where **Harshman** went after leaving the residence.

4. At approximately 6:15 a.m., agents with DEA, investigators with the Buchanan County Drug Strike Force and officers with the St. Joseph, Missouri Police Department served a federal search warrant at 2506 Francis Street in St. Joseph, Buchanan County, Missouri. The residence belonged to **Harshman**.

5. During a search of the residence, agents located and seized the following items:

6. In a second-floor office and in close proximity to the above-listed firearms, agents observed items used in the packaging and distribution of methamphetamine to include digital scales and baggies. Two of the bowls used to weight substances on the digital scale field-tested positive for methamphetamine.

7. While law enforcement officers were searching the residence, additional officers located **Harshman** at a Waffle House at 4223 Commonwealth Drive, St. Joseph, Missouri, where he was eating breakfast with two females. The brown colored Chevy SUV that was previously observed leaving **Harshmans's** residence was also at the restaurant's parking lot.

8. Investigators took **Harshman** into custody without incident and found a handgun holster on his hip. A canine was used to conduct an open-air sniff of the Chevy SUV, and it alerted to the presence of the odor of a controlled substance. The vehicle was a rental vehicle from Reed Chevrolet and was rented by **Harshman**.

9. **Harshman** provided the keys to the Chevy SUV to conduct a search of the vehicle based on the alert by the canine. During a search of the vehicle, officers located the following items:

- A Glock, Model 27, .40 caliber semi-automatic pistol with Serial Number VW5705, in the center console, with one live round in the chamber and twelve live rounds in the magazine and one live round laying in the driver seat;

- a black colored solvent trap that had been drilled out and was open at both ends in the glove box. Based on its appearance, officers believed the solvent trap had been modified to be used as a suppressor.

10. **Harshman** was transported to the Buchanan County Drugs Strike Force and placed in an interview room. After being advised of his *Miranda* rights and waiving his rights, **Harshman** was interviewed regarding this investigation.

11. During the interview, **Harshman** admitted to being a convicted felon and advised he knew he was not allowed to possess firearms. **Harshman** initially denied ownership any firearms but eventually admitted the guns found in his residence were his. **Harshman** also admitted to knowing the firearms were located throughout his residence. **Harshman** then stated the guns had been his but were released by the St. Joseph, Missouri Police Department to his girlfriend. **Harshman** advised his girlfriend did not live in the residence but was in and out of the residence. When asked about the holster he had on him at the time of the arrest, **Harshman** advised the Glock found in the Chevy SUV would fit in the holster but he was only wearing the holster to carry a baton that was in his left rear pocket.

12. **Harshman** admitted to be a user of methamphetamine and when asked about his last drug use, he advised he would test positive for methamphetamine.

13. A check of **Harshman's** criminal history shows that he has a Buchanan County, Missouri conviction in May of 2014, for Distribution of a Controlled Substance (B Felony) with a sentence of 15 years. **Harshman** is currently supervised by the Missouri Board of Probation and Parole after being released from prison.

14. ATF Special Agent Matthew Wilson verbally advised based on the identifiers of the firearms seized and listed above are not, and have never been, manufactured in the state of Missouri.
